

Industrial Guard Training Academy

N1 Solutions Inc., a division of NORPRO Security can help you get your security license.

Are you interested in becoming an Industrial Security Guard? We've got you covered!

We will pay you to take the course
and cover the course cost!

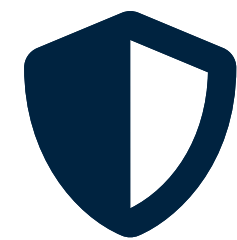

We offer for you to take the course in house at our head office and provide all of the necessary equipment (I.e. Computer for online learning).

If you successfully pass the exam, we will also pay for you to apply for your license.

We will cover the cost of your exam!

As an Industrial Security Guard, you will provide security and protect people and property throughout Northern Ontario.

Industrial guards normally work 12-hour shifts, 7 days on, 7 days off, and require a class G drivers license.

Housing and meals are provided, and we offer shuttle services at no cost to you as an employee to get to your site.

We will pay for you to apply for your license
and cover your license cost!

Let us help you cover the initial costs to get your license and join our growing team of Northern professionals in the region!

Email hiring@n1solutions.ca to start your **Industrial Guard Training** today.
