NORPRO SECURITY EVOLVES TO BECOME PART OF N1 SOLUTIONS INC.

Sault Ste. Marie (February 25th, 2021) – President, Brad Gregorini and the management team created N1 Solutions Inc. to better reflect the growth and diversification of the NORPRO brand.

The team at N1 Solutions Inc. is pleased to announce the newly formed company and brand that better represents the identity and the divisions of NORPRO Security, NORPRO Innovation (Technology, Unique Data Systems), and the creation of N1 Strategy Inc.

Mr. Gregorini purchased the organization 8 years ago with a team of 15 employees. N1 Solutions Inc. has evolved to include a dynamic and talented workforce of over 140 staff across Northern Ontario.

Today, the company is a more diverse organization offering a variety of products and services to meet the requirements of their customers in various industries. The new name, N1 Solutions Inc. articulates the accomplishments over the past several years and the direction of the company.

“This diversification of our services didn’t happen overnight. Our progress has taken us into new markets where we can provide many different solutions for our customers through our service offerings. We provide integrated solutions that include security, technology, IT, and professional advisory services. I am so proud of our evolution. It was time to reposition the company to match what we provide to our customers, the number one solution. I couldn’t have done it without the dedicated team of professionals we have in the organization,” says Brad Gregorini, President of N1 Solutions Inc.

“The goal of N1 Solutions is to exceed our clients’ expectations across Ontario. We are a company that sells complete solutions with successful business operations across the North. We are excited about our growth strategy and we will have more exciting news to share throughout this year. We are your one call to respond to it all,” says Dan Hollingsworth, Vice-President of N1 Solutions Inc.

Today, N1 Solutions launches their new website www.n1solutions.ca, and social media pages on both Facebook and LinkedIn (@n1solutionsinc).

New Look

N1 Solutions new wordmark begins with an N, emanating from NORPRO and the “1” or “N1” speak to providing the number one solution to their customers. The N1S logo represents the historical colours of the NORPRO brand. Today, N1 Solutions is excited to roll out a new look and feel to celebrate their continued achievements.
